Rifles

Rifle Flowchart

Prohibited:

.50 BMG caliber rifles (No .50 cal whatsoever in Los Angeles or San Francisco).

Semi-automatic centerfire rifles with a fixed magazine that exceeds 10 rounds.

Semi-automatic centerfire rifles that have an overall length of less than 30”.

Semi-automatic centerfire rifles that have the capacity to accept a detachable magazine AND any one of the

following features:

- o Pistol grip
- o Grenade or flare launcher
- o Thumbhole stock
- o Flash suppressor
- o Folding / telescoping stock
- o Foregrip

Permitted:

Any “assault”-style rifle must have a fixed magazine (bullet button in place of typical magazine release) with

a 10 round capacity or fewer to ship.

All rimfire caliber rifles with magazine capacity of 10 rounds or fewer (e.g.: .22 LR, 17HMR, etc.) are permitted, excluding rifles with tubular magazines in lever-action firearms, which do not have magazine restrictions. Rimfire caliber rifles are not considered “assault weapons” and can have features that centerfire rifles cannot.

Rimfire with a capacity of more than 10 can be purchased by LE with proper LE Credentials on file.

Rifles of any caliber with tubular magazines (e.g. lever action) may have a capacity of more than 10 rounds

(Cal. Penal Code S.16740).

Springfield M1As will be legal if “CA” or “AA” is indicated in the model number (these models will have a muzzle brake instead of a flash hider).

Stripped AR receivers are permitted, barring inclusion on Appendices A, B, or C (see "Rifle Flowchart" link

at top of page). Complete AR lower receivers must have "fixed magazine" (e.g. bullet button) and not include prohibited features listed above, nor appear as a named item on Appendices A, B, or C (see "Rifle Flowchart" link at top of page).

Shotguns

Shotgun Flowchart

The following are prohibited:

Shotguns with revolving cylinders (e.g. Franchi SPAS 12, USAS-12, Striker-12 or Streetsweeper).

Semi-automatic shotgun that has both a folding / telescoping stock and a pistol grip, thumbhole stock, or

vertical handgrip.

Semi-automatic shotgun that has the ability to accept any detachable magazine.

Semi-automatic shotguns with pistol grips must have a fixed stock to be legal.

*Permissible handguns that are NOT on the handgun roster:

Single-action revolvers that have at least a 5 round capacity with a barrel length of at least 3 inches and an overall length of at least 7 ½ inches are permitted.

Single-shot pistols with a barrel length of at least 6 inches and have an overall length of at least 10 ½ inches are permitted.

Accessories / Ammunition

Tannerite exploding targets (Last Man Standing, H2, etc.) are prohibited.

ASP batons and any instrument / weapon known as a Blackjack, Slungshot, Billy, Sandclub, Sap or Sandbag are prohibited.

No .50 BMG ammunition to California.

So-called "bumpfire" stocks and other devices that attach to a semiautomatic firearm which allow discharge

of two or more shots in a burst or increase the rate of fire are prohibited (e.g. Slide Fire, Fostech etc).

☒ Certain cities and municipalities may have regulations regarding stun guns, TASER, or pepper sprays.
By

purchasing one of these items from BudsGunShop.com, you are certifying under penalty of law that you are

eligible to purchase and possess a stun gun, TASER or defense sprays from BudsGunShop.com. Pepper spray is limited to 2.5oz containers or smaller.

AR upper receivers (stripped, barreled, or complete with a 16” barrel minimum) are permitted.

☒ All magazines are limited to 10 rounds or fewer.

Large-capacity, magazine-conversion kits, which include, but are not limited to, the body, spring, follower,

and floor or end plate, capable of converting an ammunition feeding device into a large-capacity magazine

are prohibited.

☑ Ammunition must be shipped to an FFL dealer in the following cities:

1. Los Angeles
2. Sacramento
3. San Francisco

Other Restrictions
